Dear [Employee Name],

It's that time of year to give back through our annual employee giving campaign! This year, we are proud to partner with Rise Against Hunger, an organization on a mission to end global hunger.

Rise Against Hunger works in countries worldwide to fight hunger, targeting communities facing high rates of food insecurity. They provide volunteer-packaged meals and other assistance, often through school feeding programs, to support nutrition, education and health for children and families facing hunger right now. They also partner with local leaders to implement sustainable agriculture and income-generating projects that support long-term solutions to food security and empower communities to become self-reliant.

Ways to make an impact:

Remember to take advantage of our company matching gift program — every dollar you donate will be doubled! Thank you for joining us as we make an impact in the lives of children and families across the globe. **Donate today!**

Sincerely,
