

Rise Against Hunger Donation Page Information

About the Organization

Rise Against Hunger works in countries worldwide to fight hunger, targeting communities facing high rates of food insecurity. We provide volunteer-packaged meals and other assistance, often through school feeding programs, to support nutrition, education and health for children and families facing hunger right now. We also partner with local leaders to implement sustainable agriculture and income-generating projects that support long-term solutions to food security and empower communities to become self-reliant.

Learn more about the movement to end hunger by [checking out stories](#) from one of the countries where we work, Kenya! See how we're empowering lasting change through initiatives that target nutrition, education, agriculture, water, and more in Kenya and in communities across the globe.

Meal Packaging Experience

The Meal Packaging Experience offers participants, groups of 25 - 500+, an active, educational and fun experience that can be done right at your location. We provide all equipment, ingredients, and staffing to host a meaningful service project. [Watch this video](#) to learn more about the Meal Packaging Experience.
